Proceedings of the Civil Medical Board held at General Hospital on Saturday the 9th March 1940.

The Committee have carefully examined Sergeant Whitely son of Thomas Whitely in the Police Department. His age is by his own statement, 50 years and by appearance about 55 years. We consider him to be completely and permanently incapacitated for further service of any kind in consequence of arteriosclerosis and secondary dilatation of the heart

His incapacity does not appear to us to have been caused by irregular or intemperate habits.
